Foreign-Trade Zones Board

[B-33-2022]

Foreign-Trade Zone 186—Waterville, Maine; Notification of Proposed Production Activity, Flemish Master Weavers (Machine-Made Woven Area Rugs), Sanford, Maine

The City of Waterville, Maine, grantee of FTZ 186, submitted a notification of proposed production activity to the FTZ Board (the Board) on behalf of Flemish Master Weavers (FMW), located in Sanford, Maine, within Subzone 186A. The notification conforming to the requirements of the Board's regulations (15 CFR 400.22) was received on August 2, 2022.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status materials/components and specific finished product described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board's website—accessible via www.trade.gov/ftz.

In 2016, FMW received limited FTZ authority to produce machine-made woven area rugs using polypropylene and polyester yarns in privileged foreign (PF) status (19 CFR 146.41), which precludes inverted tariff benefits on those inputs (see 81 FR 51850, August 5, 2016).

In 2017, FMW requested authority to admit continuous filament polypropylene (CFPP) yarn in nonprivileged foreign (NPF) status (19 CFR 146.42) (B-28-2017, 82 FR 26434, 6/7/2017). That request was approved subject to the following restrictions: (1) the annual quantitative volume of CFPP yarn that FMW may admit into Subzone 186A under NPF status was limited to 3 million kilograms; and, (2) approval was limited to an initial period of five

years, subject to extension upon review (Board Order 2071, 83 FR 54709, 10/31/2018).

The pending notification requests to remove the restriction requiring admission in PF status for CFPP yarn—to which FMW's operation would otherwise be subject beginning on October 25, 2023 (upon expiration of the time-limited authority approved in Board Order 2071).

The finished product is machine-made woven area rugs (duty-free). The proposed foreign-status materials and components include single-ply and two-ply continuous filament polypropylene textured yarn (duty rates 8.8% and 8% respectively). The request indicates that the materials/components are subject to duties under Section 301 of the Trade Act of 1974 (Section 301), depending on the country of origin. The applicable Section 301 decisions require subject merchandise to be admitted to FTZs in PF status.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is September 19, 2022.

A copy of the notification will be available for public inspection in the "Online FTZ Information System" section of the Board's website.

For further information, contact Diane Finver at Diane.Finver@trade.gov.

Certain Hardwood Plywood Products From the People's Republic of China: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2020

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) continues to determine that 17 exporters of certain hardwood plywood products (hardwood plywood) from the People's Republic of China (China) under review had no shipments of subject merchandise during the period of review (POR) January 1, 2020, through December 31, 2020. Commerce also continues to

determine that the 39 remaining companies subject to this review are part of the China-wide entity because they did not demonstrate eligibility for separate rates.

DATES: Applicable August 8, 2022.

Kabir Archuletta, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-2593.

SUPPLEMENTARY INFORMATION:

Background

On February 3, 2022, Commerce published the *Preliminary Results* of this administrative review.¹ We invited parties to comment on the *Preliminary Results*. On June 2 and 30, 2022, Commerce extended the deadline for the final results of this administrative review.² The deadline for the final results of this review is now August 2, 2022.³ A complete summary of the events that occurred since publication of the *Preliminary Results* may be found in the Issues and Decision Memorandum.⁴

Scope of the Order⁵

The products covered by the *Order* are hardwood plywood from China. A full description of the scope of the *Order* is contained in the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of the issues that parties raised and to which we responded in the Issues and Decision Memorandum is attached

ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on a review of the record and the comment received from interested parties, we made no changes to the *Preliminary Results*.

Final Determination of No Shipments

Commerce preliminarily found that 17 exporters had not shipped subject merchandise during the POR.⁶ As noted in the *Preliminary Results*, we received no shipment statements from these exporters, and their statements were consistent with the information we received from U.S. Customs and Border Protection (CBP).⁷ Therefore, for these final results, we continue to find that these 17 exporters had no shipments of subject merchandise to the United States during the POR.

China-Wide Entity

With the exception of the aforementioned 17 exporters that submitted no shipment certifications, we find all other companies for which a review was requested to be part of the China-wide entity. Accordingly, the companies listed in Appendix I are part of the China-wide entity.⁸

Because no party requested a review of the China-wide entity, we did not conduct a review of the China-wide entity. The rate previously established for the China-wide entity is 183.36 percent and is not subject to change as a result of this review.⁹

⁶ These 17 exporters are: (1) Shanghai Luli Trading Co., Ltd.; (2) Celtic Co., Ltd.; (3) Cosco Star International Co., Ltd.; (4) Happy Wood Industrial Group Co., Ltd.; (5) Jiaxing Hengtong Wood Co., Ltd.; (6) Linyi Evergreen Wood Co., Ltd.; (7) Linyi Glary Plywood Co., Ltd.; (8) Linyi Huasheng Yongbin Wood Co., Ltd.; (9) Linyi Jiahe Wood Industry Co., Ltd.; (10) Linyi Sanfortune Wood Co., Ltd.; (11) Qingdao Top P&Q International Corp.; (12) Shandong Qishan International Trading Co., Ltd.; (13) Shanghai Brightwood Trading Co., Ltd.; (14) Shanghai Futuwood Trading Co., Ltd.; (15) Suqian Hopeway International Trade Co., Ltd.; (16) Xuzhou Jiangyang Wood Industries Co., Ltd.; and (17) Zhejiang Dehua TB Import & Export Co., Ltd.

⁷ See Memorandum, "No Shipment Inquiries for Multiple Companies during the Period 01/01/2020 through 12/31/2020," dated April 16, 2021.

⁸ See Appendix I.

⁹ See *Order*.

Assessment Rates

We have not calculated any assessment rates in this administrative review. Based on record evidence, we have determined that the aforementioned 17 companies had no shipments of subject merchandise, and therefore, pursuant to Commerce's assessment practice, any suspended entries entered under their case numbers will be liquidated at the China-wide entity rate.¹⁰

For all remaining companies subject to this review, which are part of the China-wide entity, we will instruct CBP to liquidate their entries at the current rate for the China-wide entity (*i.e.*, 183.36 percent). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this review for shipments of subject merchandise from China entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by sections 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act): (1) the cash deposit rates for the 17 companies that had no shipments during the POR will remain unchanged from the rates assigned to them in the most recently completed segment for each company; (2) for previously investigated or reviewed Chinese and non-Chinese exporters that have separate rates, and which were not assigned the China-wide rate in this review, the cash deposit rate will continue to be the exporter-specific rate published for the most recently completed segment of this proceeding; (3) for all Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate (including the companies listed in Appendix I), the cash deposit rate will be that for the China-wide entity (*i.e.*, 183.36 percent); and (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese

exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 315.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Administrative Protective Order

This notice also serves as the only reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the return or destruction of proprietary information disclosed under APO, in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation subject to sanction.

Notification to Interested Parties

These final results are issued and published in accordance with sections 751(a)(1) and 777(i) of the Act, and 19 CFR 351.213(h).

Dated: August 1, 2022.

Deputy Assistant Secretary for Enforcement and Compliance.
